Sir:

Claims 1-3, 5-8, 10-14, 16-18 and 20-21 are pending in this application. Reconsideration of the rejection set forth in the Office Action dated January 4, 2010 is respectfully requested.

The Office Action rejects claims 1-3, 5-8, 10-14, 16-18 and 20-21 under 35 U.S.C. §102(e) by JP 2001-268475 to Shirata et al. (hereafter Shirata). The rejection is respectfully traversed with respect to the pending claims.

Independent claim 1 recites a controller dividing a screen into a first display window and a second display window, and outputting control signals based on display options corresponding to the first display window and the second display window. Independent claim 1 also recites a video processing unit separating an original image into a first image part and a second image part, and adjusting a position and a size of each of the first image part and the second image
